Silvan Ridge WINERY

Thank you for considering Silvan Ridge Winery to host your wedding. Established in 1979 and maintained in the tradition of a small European winery, the Silvan Ridge property is an ideal blend of rustic and elegant.

Located just fifteen minutes from west Eugene, our natural setting and vineyard views provide the perfect backdrop for your special day and our beautifully decorated indoor facilities create a formal, yet relaxing and romantic atmosphere.

We are able to accommodate up to 100 guests for weddings and receptions and offer a combination of outdoor and indoor spaces for your event.

Currently we are offering Silvan Ridge as an event venue for our Wine Club members only. A minimum membership of one year is required, but does not have to be completed prior to your wedding day.

For more information about the Wine Club, or if you are already a member and want to inquire about specific dates for your wedding:

Items Not Included

- Catering: we do not offer catering or have a contracted caterer so we allow you to hire any caterer for your event. We do require that the caterer be professional and licensed and can make recommendations for you if you'd like. We will make an exception to this rule for parties of 40 people or fewer, though arrangements need to be made in advance with management.
- Glassware (water glasses, beer glasses, champagne flutes, etc.) silverware, dishes, napkins, and any other items related to food service. These should be taken care of by your caterer.
- Extra décor for your event such as an arbor, flowers, table centerpieces, extra candles, etc. We welcome you to bring your own decorating supplies.
- Wine: there is a \$500 minimum wine purchase due the night of your event.

Q: *Are we able to come before our event to decorate?*

A: Yes— you have between 9 am and 12 pm the day of your wedding, then after 5 pm for final touches.

Q: *Do we have to pre-purchase wine for our event?*

A: No- you can if you would like but typically if you are going to offer wine to your guests we will serve the wines of your choice and keep track of what we serve for your final bill. Keep in mind that if you do pre-purchase, wine is not returnable. There is a \$500 minimum wine purchase for all non-wedding events.

Q: *Are there any extra fees that we may incur above and beyond the rental fee, gratuity, and wine?*

A: Most likely not- the only time you would incur an extra fee of any sort would be if one or more of the following occurred:

- If you needed more than 12 linens for your event, in which case we charge our cost to rent them which is \$7 per linen
- If you violated point #8 in the contract regarding caterer's duties during your reception
- If you violated point # 11 in the contract regarding the use of birdseed, confetti, and other synthetic materials
- If you do not clean up/remove all of the items you brought to the winery by 11 am the day following your event (See Addendum B)

Q: *Is it okay to have beer at our party?*

A: Yes— you can place an order from our list of local breweries and we will handle acquiring and serving beer. You are limited to 2 beer selections.
